

A bar K Rodeo Productions in conjunction with Ideal Supply, Goss Power Products and NAPA Automotive Parts presents:

THE A bar K WILD THING®

WILD THING

A bar K Rodeo Productions is proud to announce the addition of **The A bar K Wild Thing®** mechanical bull to their promotional arsenal and ever growing list of crowd pleasing attractions. Several groups and committees have already experienced something **WILD** and have been thrilled with the results.

“Outstanding promotional day, thank you so much”

Powassan Honeyfest Organizer

“Hey you cheated...I wanna go again”! “Ok, one more time, I’m sure you’re cheating...that’s a lot of fun!”

Al Lord, Organizer, Kevin Lord Memorial Fundraiser

In addition to their outstanding rodeos, A bar K Rodeo Productions is the only rodeo producer in Ontario who offers a mechanical bull at their rodeos. **The A bar K Wild Thing®** is the first mechanical bull to go on tour.

If you’re interested in being a part of the action and experiencing the thrill of an 8 second ride, come on out and try **The A bar K Wild Thing®** for yourself! Check out abarkrodeo.com for events dates.

This incredibly fun and exciting attraction is powered by the all new **Goss 9000E generator** provided by **Ideal Supply, Goss Power Products** and **NAPA Automotive Parts**. These three companies are **The Official Portable Power Equipment Suppliers** of A bar K Rodeo Productions, **The A bar K Wild Thing®** mechanical bull and the **Coors Light & Appliteck Inc.Tour**.

The A bar K Wild Thing® is available for your event, too! Book now, it’s extremely popular and difficult to get a date.

****Some insurance restrictions apply.**
